Customizing Mastercam

► Create your own keyboard shortcuts

Choose **Settings > Customize > Key Mapping**

- Select the **Category**.
- Select a Mastercam function and under **Press new shortcut key** enter the key combinations you want to assign to it.

► Change toolbar layout

Choose **Settings > Customize**

- Set the **Workspace** and then choose the **Category**.

- Select a Mastercam function and add it to the **Toolbar**.
- Choose **Load Workspace** to hide or display toolbars.

► Customize the right-click menu

Choose **Settings > Customize > Context Menu Tab**

- Select the **Category** and then the function that you want to add.
- Once you click on the **Add** button the function will be added to the **Right mouse button menu**.

Ways to get the most from
Mastercam®

Mastercam Training

In-House Solutions offers unsurpassed industrial training for Mastercam and OCTOPUZ Robotic Software. We have training facilities in a number of cities across Canada and some of our courses can also be offered onsite, depending on trainer availability.
